**JOHN SHERIDAN
 LIBRARY DIRECTOR**

After receiving his library science degree at Wayne State University, John has worked with libraries throughout Michigan for over 27 years. His previous position was that of Library Director at Vicksburg District Library. After becoming bored of the retiree lifestyle, he applied to the West Branch District Library as our new Library Director. John's first day was on June 3rd.

Despite only recently taking on the position, John has already planned to bring in updates to library technology along with better utilizing the library's community room to host workshops and events.

John has shown great interest and enthusiasm in helping to make the West Branch District Library better than ever, and with his leadership we will be able to better serve and support our patrons.
